

# Station Descriptions:

## Imagination station

(To nurture creativity & Imagination development through play, while building better social emotional learning.)

## Learning station

(To help children develop and learn many different skills such as sharing, fine and gross motor skills, problem solving, conflict resolution and how cause and effect work.) (Outside time is acceptable)

## Circle time station!

(For little ones to get a sense of community with other kids their age and enhance their social skills and improve their attention span. To begin to learn the basics of early education.) (Colors, shapes, numbers & counting 1-10 all in Spanish and English, ABC recognition, body parts, animals and animal sounds, vocabulary flash cards)

## Interactive station! \*\*Music\*\*

(To create a calming atmosphere. Music & singing creates special bonds between teachers and students)

## Activity Station

(Upper and lower muscle development during crawling, tumbling, jumping, & climbing activities. To help develop muscle development, muscle control and balance.) (Outside time is acceptable)

## Touch and feel station

(Sensory play building nerve connection in the brain pathway, which leads to the children's ability to complete more complex learning tasks. Sensory play supports language development, cognitive growth, fine and gross motor skills, problem solving, and social interaction.

## Interactive station! \*\*Books & Bubbles\*\*

(Literature to help with language and vocabulary building and bubbles to create excitement and joy!)
